

## Ciena Reports Fiscal Third Quarter 2022 Financial Results

September 1, 2022

HANOVER, Md.--(BUSINESS WIRE)--Sep. 1, 2022-- [Ciena](#)® Corporation (NYSE: CIEN), a networking systems, services and software company, today announced unaudited financial results for its fiscal third quarter ended July 30, 2022.

- **Q3 Revenue:** \$868.0 million
- **Q3 Net Income per Share:** \$0.07 GAAP; \$0.33 adjusted (non-GAAP)
- **Share Repurchases:** Repurchased approximately 3.2 million shares of common stock for an aggregate price of \$155.0 million during the quarter.

"Despite continued strong customer demand, our fiscal third quarter financial results were negatively impacted by late delivery and substantially lower-than-committed volume from a small number of suppliers for specific components that are essential for delivering finished goods to our customers," said Gary Smith, president and CEO of Ciena. "While these dynamics will continue in our fiscal fourth quarter, we expect improvement as we move into fiscal 2023, providing us increased ability to service this unprecedented demand and continue to gain market share."

For the fiscal third quarter 2022, Ciena reported revenue of \$868.0 million as compared to \$988.1 million for the fiscal third quarter 2021.

Ciena's GAAP net income for the fiscal third quarter 2022 was \$10.5 million, or \$0.07 per diluted common share, which compares to a GAAP net income of \$238.2 million, or \$1.52 per diluted common share, for the fiscal third quarter 2021. Ciena's GAAP net income for the fiscal third quarter of 2021 benefited from the recording \$124.2 million tax benefit related to an internal transfer of non-U.S. intangible assets. See APPENDIX A - Reconciliation of Adjusted (non-GAAP) Quarterly Measures for more information and a reconciliation of our adjusted (non-GAAP) net income which excludes the effect of these amounts.

Ciena's adjusted (non-GAAP) net income for the fiscal third quarter 2022 was \$49.0 million, or \$0.33 per diluted common share, which compares to an adjusted (non-GAAP) net income of \$144.9 million, or \$0.92 per diluted common share, for the fiscal third quarter 2021.

- *Amortization of intangible assets* - a non-cash expense arising from the acquisition of intangible assets, principally developed technologies and customer-related intangibles, that Ciena is required to amortize over its expected useful life.
- *Acquisition and integration costs* - includes financial, legal and accounting advisor expenses related to our acquisition of Xelic during the second quarter of fiscal 2022. Acquisition and integration costs for the third quarter of fiscal 2021 include costs of acquisition compensation associated with a three-year earn-out arrangement related to the DonRiver acquisition in fiscal 2018.
- *Non-GAAP tax provision* - consists of current and deferred income tax expense commensurate with the level of adjusted income before income taxes and utilizes a current, blended U.S. and foreign statutory annual tax rate of 20.2% for the third fiscal quarter of 2022 and 20.5% for the third fiscal quarter of 2021. This rate may be subject to change in the future, including as a result of changes in tax policy or tax strategy. Ciena's GAAP tax provision for the third quarter of 2021 benefited from recording a \$124.2 million tax benefit related to an internal transfer of non-U.S. intangible assets that was recognized as a result of the step-up in basis of such rights for tax purposes. The Non-GAAP tax provision for the periods presented do not include this tax benefit or the corresponding deferred tax asset.
